The Insured must help the Insurer preserve its rights against those responsible for its Loss. This may involve signing any papers and taking any other steps the Insurer may reasonably require. If the

Insurer takes over an Insured's rights, the Insured must sign an appropriate subrogation form supplied by the Insurer.

As a condition to receiving the applicable benefits listed above, as they pertain to this Subrogation provision, the Insured agrees, except as may be limited or prohibited by applicable law, to reimburse the Insurer for any such benefits paid to or on behalf of the Insured, if such benefits are recovered, in any form, from any Third Party or Coverage.

Coverage – As used in this Subrogation section, means no fault motorist coverage, uninsured motorist coverage, underinsured motorist coverage, or any other fund or insurance policy (except coverage provided under the Policy and any fund or insurance policy providing the Insured with coverage for any claims, causes of action or rights the Insured may have against the Insurer).

An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, unless an irrevocable designation has been made, without the consent of the designated beneficiaries, by providing Travel Guard with a written request for change. When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Insurer on account of any payment made by it prior to receipt of the request.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under the Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for which the Insured is insured are based on age and the Insured has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Insurer may require satisfactory proof of age before paying any claim.

Legal Actions. No action at law or in equity may be brought to recover on the Policy prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of the Policy. No such action may be brought after the expiration of 3 years after the time written proof of Loss is required to be furnished.

Concealment or Fraud. The Insurer does not provide coverage if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to the Policy or claim.

Payment of Premium. Coverage is not effective unless all premium due has been paid to Travel Guard prior to a date of Loss or insured occurrence.

Notice to Vermont Residents:

U3000DDBG

Vermont law requires that health insurers offer coverage to parties to a Civil Union that is equivalent to coverage provided to married

persons. This endorsement is made a part of and amends the Policy or Description of Coverage on the later of: (1) 1/1/2001; or (2) the Policy Effective Date; or (3) the Description of Coverage Effective Date, to which this Endorsement is attached. It is subject to all of the provisions, limitations, and exclusions of the Policy or Description of Coverage except as they are specifically modified by this Endorsement.

1.The definition of Civil Union is added to and made a part of the Definitions section.

Civil Union – means that two eligible persons have established a relationship pursuant to 15 V.S.A. chapter 23 of Vermont's Statutes and may receive the benefits and protections and be subject to the responsibilities of spouses.

2.The definition of Party(ies) to a Civil Union is added to and made a part of the Definitions section.

Party(ies) to a Civil Union – means an Insured who has established a Civil Union with another person pursuant to 15 V.S.A. chapter 23 and 18 V.S.A. chapter 106.

3.The definitions, terms, conditions or any other provisions of the Policy, Description of Coverage, and/or Riders and Endorsements to which this mandatory Endorsement is attached are hereby amended and superseded as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms include the relationship created by a Civil Union.

Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union.

Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a Civil Union.

4. As provided in this Endorsement the term child or covered child shall mean a child (natural, stepchild, legally adopted child, a minor, or a disabled child) who is: (1) dependent on the Insured for support and maintenance; and (2) born to or brought to: (a) a marriage; or (b) a Civil Union established according to Vermont law.

5.The defined terms Eligible Spouse or Insured Spouse, or the term spouse, wherever they appear in the Policy, Description of Coverage, Rider, Endorsement, and/or Application are deemed to include a Party to a Civil Union.

THIS ENDORSEMENT IS NOT MEANT TO PROVIDE DEPENDENT COVERAGE IF DEPENDENT COVERAGE IS NOT PROVIDED UNDER THE POLICY.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE.

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to Parties to a Civil Union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a Party to a Civil Union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a Party to a Civil Union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, Parties to a Civil Union and their families may or may not have access to certain benefits under the Policy, Description of Coverage, Rider, or Endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under the Policy.
